

SCOTTISH ST. ANDREWS SOCIETY OF GREATER ST. LOUIS

MAY 1973

We are nearing the end of our first Winter and Spring as a St. Andrew Society and I am sure all of you who have participated in our dinner dances and monthly meetings will agree that we have had a very successful and happy birth. Our full members number over 110 and we are averaging almost 70 at our monthly meetings. I must thank all of you for your cooperation and enthusiasm.

By special request, we are going to have another meeting in Eden Seminary Library Auditorium on Monday, May 21 at 7:30 P.M. We will have a film and dance and also more information on our charter flight to Scotland and England in 1974. Remember, if you plan on making this flight with us, please let us know. We already have almost 120 people who have indicated an interest in going, so do not delay in giving us your names. Remember, this is not a definite commitment by you, but merely an indication of your interest in going. As of the moment of writing, the August date has the largest number of names as their first choice.

Weather permitting, our picnic will be Sunday, May 20, at the Gaertner's Farm in Edwardsville - see accompanying map. Bring your own food and refreshments and we are hoping to have tables all set up, and chairs. Starting time 11:00 A.M., lunch from 12:00 to 1:00 P.M., games and competitions from 1:00 P.M. 'til 3:30 P.M. Then our sheep-herding display and probable break up by 7:00 P.M. We will have all sorts of games, but please bring anything you think would be fun. Bring your own folding chairs in case we don't manage to get arrangements made to provide them. Check the weather forecast and, if in doubt, call me Sunday morning, early, at 962-9769.

See you Sunday, May 20, at Edwardsville.

Bill Stirrat, President
