

Scottish St. Andrews Society of Greater St. Louis. 1974 APRIL

We have had a very successful winter and spring and are ready now for our Picnic, I hope you are all making plans to come. Consult the map on this page for the location, which is of course on Gaertner's Farm, where we had it last year. We plan to be there about 11 o'clock and will eat lunch between 12 and 1 p.m. The Gaertner's, Joan and Larry, are being as helpfull as ever, and will have tables and chairs set up. Bring your own basket lunch, and be all set for a fun filled day. There will be games, races and all kinds of competitions, with lots of prizes, for the kids, of all ages.

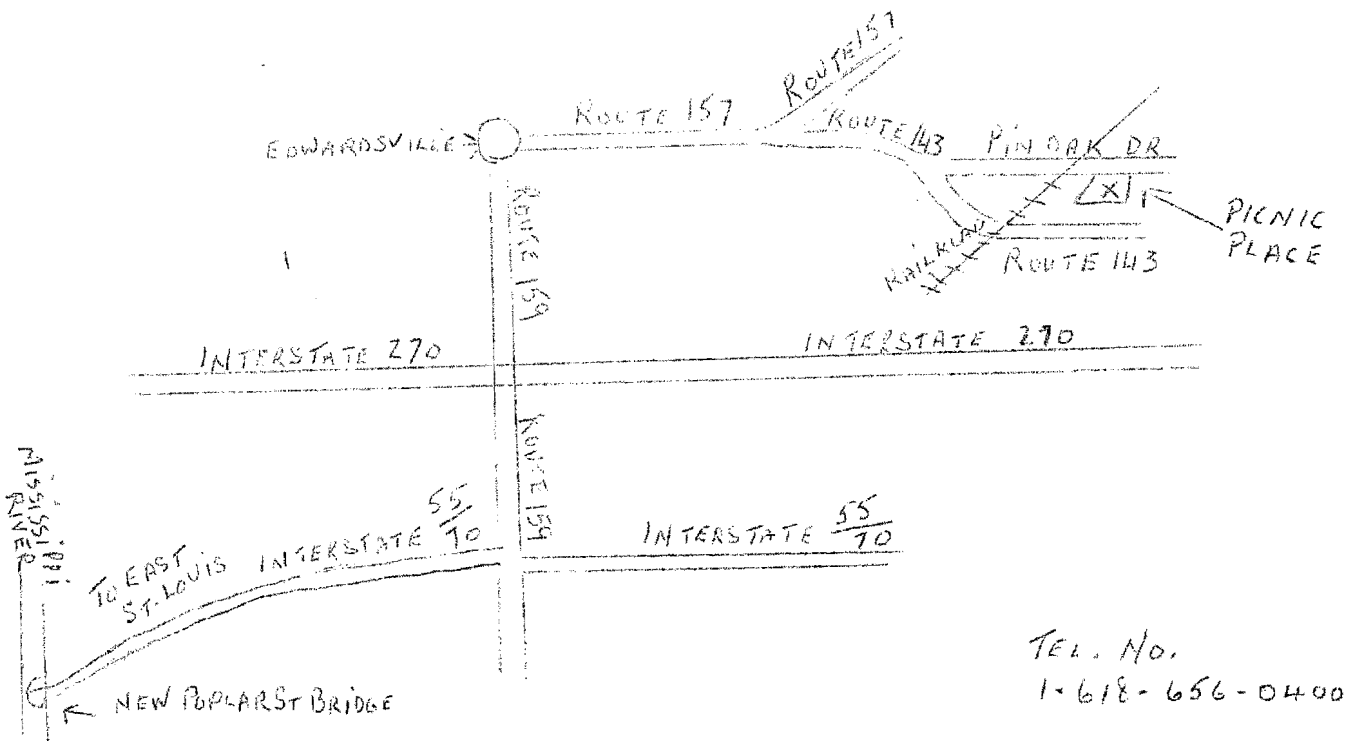

We had hoped to have another meeting before the fall, but our regular meeting night lands on Memorial Day and our hall is not available in June. We will contact you about our next meeting.

When we get more information from Chicago about our flight, we will contact all who plan to go, and have a special meeting.

See you at the Picnic.

Scottish St. Andrew's Society of Greater St. Louis.

April Bulletin 1974.

We are mailing our April Bulletin a little earlier this month as we would like to remind you of our Party which will be at Eden Seminary Library Auditorium, 475 East Lockwood, Webster Groves, at 7.30 p.m. on Saturday, April 13th. We are planning this as a farewell party for Captain Dick Blair our Piper and Piping Instructor, who is being transferred by the Air Force to North Carolina. He has been a staunch friend of our society since our early days and we will take this opportunity, as a group, to thank him. It should be a fun night and if each family brings a little finger variety food, the \$1.50 adult and \$1.00 school children charges could be used for the beginnings of a Band Fund. We are getting closer to the point of affiliation with a Pipe Band, and with our Piping, Highland Dancing and Scottish Ballroom Dancing Classes, we are beginning to achieve some of our earlier goals.

The organization of our flight to Scotland is almost complete, with 52 registered participants, and we almost are ready to close our listing for the bus tour of Scotland. Our next meeting on Monday, April 22nd at 7.30 p.m. will probably be the last opportunity for prospective participants to register, especially for the bus tour. If you plan to join us, get your checks in. I am sorry, but The Gaelic American Club have no use for names, unless backed up by the necessary spondulucks.

Remember and mark your calendar for coming events of our St. Andrew's Society.
