

SCOTTISH ST. ANDREW'S SOCIETY

OF

GREATER ST. LOUIS.

February Bulletin.

The sun is shining brightly this morning as I write this and altho' I am sure, we still have some dreary old winter days to come, a morning like this does make me feel that Spring can't be too far away. Now we will have to start thinking about our Picnic and of course our summer Flight to Scotland. We have reached the final moment of decision on the Flight and it seems certain that the plans we have made will have to be changed. Too many people, who originally said they were going, have failed to send in deposits, and instead of 175, we have about 50 confirmed reservations. We are in the process of checking alternative plans and will have a meeting within a week to present these for approval of those who have made reservations. It is a very great disappointment to us, that more people have not taken advantage of this extremely cheap Flight, at current prices it is less than half the regular fare. However we are extremely hopeful that we will be able to make excellent alternate arrangements for the 50 of us who have decided to go.

Remember our next Meeting night is Monday February, 25th at 7.30 p.m. when Judy Palmer will show slides taken in Scotland last year and we will also have a short film of South East Coast of England, and of course our usual Dancing, Dance Lessons and Refreshments.

We have classes started in Piping and Drumming and are in the process of arranging Highland Dancing Classes. Send in your name for information.
