Sometimes I wonder if many of you open this letter when you receive it, decide to read it at a later date when you have time, and then forget about it. This time I thought I would head the bulletin with the events we want to bring to your attention, and I would at least have my foot within your door.

At our September meeting we decided to postpone our boutique until our November meeting on the 17th. I was asked "What the ?? is a boutique". Well it is a combination, bazaar, sale of work, white elephant and Jennie A' sale, you name it. We want anything you can make, bake, paint, build, knit, sew or crochet, beg borrow or --- I better not say steal. If you don't have time to do any of above, we will take your money and get someone else to use it to do one of these things. Bring your contribution to one of our meetings prior to the day of sale, or to me or to any of the committee. It will help greatly if you price your contribution. Please mark November 8th, our St. Andrew Night Dance, on your calendar. It will be at the Top of the Sevens, 7777, Old Bonhomme in Clayton. They provide an outstanding meal in beautiful surroundings with free indoor parking. We will have a great band, plus our own Pipe Band and dancers. Set ups are included in the cost of the ticket at \$12.00 per person, and there will also be a cash bar. Write Betty Matthews at 7392, Northmoor Dr. Clayton 63105 and enclose a stamped addressed envelope for return of your tickets.

Any member who has changed his or her address recently please notify Betty Matthews to ensure receipt of monthly bulletin.
