

The
Scottish St. Andrew Society of Greater St. Louis

February 1976 Bulletin.

This bulletin will have many news items of great import to our Society so please read it through. I would like to thank all of you for the great turnout at our Burns' Evening. We were swamped with requests for tickets and could have sold 50 or 60 more. I must apologise for the inconvenience many suffered from the overcrowding, and we plan not to let it happen again. We will make sure we get a hall large enough to accommodate everyone comfortably.

NEXT REGULAR MEETING:

Monday Feb. 23rd - 7.30p.m. - Eden Seminary Library Auditorium.

HIGHLAND GAMES FUND CONCERT and DANCE PARTY.

Saturday March 6th - 7.30p.m. Webster College.

The concert will commence with Nancy St. James in Salute to America lasting approximately 50 minutes. Then we will have Salute to Scotland with our pipers and drummers, Highland Dancers, Irish Dancers, musicians and singers in a great program. After the concert we will adjourn to Webster College Cafeteria where we will have a party with dancing. There will be lots of Scottish Home bakery goods to buy and eat or takeaway, a cash bar, free coffee and tea, and popcorn etc. The concert will cost \$2.50 adults and \$1.50 students and the party cost \$1.00 payable at the door. The proceeds from this evening will all go to our Highland Games Fund. There are only 250 seats in the Auditorium so please contact Betty Sunter at 878-4714 as soon as possible. Again we need all the bakery goods we can get, and the telephone committee will be in touch with you, or you can call Nancy Sweeney at 521-1430.

HIGHLAND GAMES - Some of the committees have been activated and are extremely busy. The others will be moving soon and if you are contacted to serve on one, please, if you can, join us in making our games a success.

Our Sponsor Fund is growing, we now have \$405.00 in it, and are hopeful it will grow substantially before May. Remember all contributions are tax deductible. Come to our next meeting for further news of our Highland Games.

Bill Stewart .

President.
