

Scottish St. Andrew Society of Greater St. Louis

March Bulletin - 1977.

This month's meeting will be an unusual and exciting one and should be well attended. We will start off with a potluck supper and then go into a White Elephant Auction for our Highland Games Fund. At the February meeting it was agreed that we would provide the meat, tea and coffee at \$1.00 per person, and the following would be the schedule for bringing the other dinner items.

Names from A to H would bring Desserts

" " I to Q " " Vegetables

" " R to Z " " Salad

Each couple should bring enough for 8 people.

For the auction, the choice of items is unlimited, within your ability to carry them. We will take crafts, china, ornaments, jewellery, appliances, plants, preserves, bakery goods, furniture, knickknacks, paintings or pottery. We will even accept automobiles new and used, and the offer of services, this should be marked on a card. Remember that it will all benefit the children's hospitals and will be tax deductible. Remember also what I said in the February bulletin, what is junk to you may be treasure trove to someone. Contact Peggy Flynn at 423-2185 if you have some unmanageable item that you wish to send to the sale, she may be able to help. Items may be brought to Eden Seminary Library Auditorium on Monday afternoon March 28th 4.p.m. on.
