THE SCOTTISH ST. ANDREW SOCIETY
OF GREATER ST. LOUIS

Dear Friends,

About 50 of our members enjoyed a fine dinner and the showing of an older film on Scotland at our 1 October meeting. The film showed some things that have disappeared with progress, like the "wauking" of the tweed in the Hebrides and horse-drawn lorries on the farms. I was sorry to hear that the change of date prevented some people from taking part. We will get back to our regular schedule with this month's regular meeting.

Jim Dixon tells me that about 50 of our members still have dues outstanding for 1979. These should all have been paid several months ago. If you still have to renew your membership write him at 507 Taylor Drive, St. Louis, Mo. 63122 or call him at 821-4363.

Our next general meeting will be held at the Eden Library on Monday, 22 October, the fourth Monday in October. The meeting will start at 7:30 p. m. and I have been promised a fine musical evening and I am looking forward to it.

Time is getting tight to get your tickets for our Annual St. Andrew Dinner Dance. Requests should be sent to Betty Matthews by 19 October. A fine evening of dinner and music is planned with Larry Mantese's Orchestra to play for dancing, Nancy St. James to sing for us and the pipe band and dancers to entertain us. The function gets under way with cocktails at 6:30 p. m. and dinner to follow at 7:30 p. m.

See you all on 22 October.
